## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of  
Foods Resource Bank:

We have audited the accompanying financial statements of Foods Resource Bank (the Organization) (a nonprofit organization), which comprise the statement of financial position as of March 31, 2017 and 2016, and the related statements of activities, cash flows and functional expenses for the year then ended, and the related notes to the financial statements.

### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditor's Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

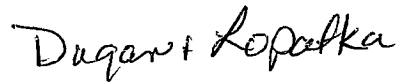

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

To the Board of Directors of  
Foods Resource Bank  
Page two

*Opinion*

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Foods Resource Bank, as of March 31, 2017 and 2016, and the related statements of activities, functional expenses, and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

FOODS RESOURCE BANK  
NOTES TO FINANCIAL STATEMENTS  
MARCH 31, 2017 AND 2016

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND PRACTICES:

Foods Resource Bank (the Organization) is a not-for-profit organization located in Western Springs, Illinois. The Organization is a Christian, non-governmental humanitarian organization committed to international sustainable food security programs that are implemented through implementing member organizations. Implementing member organizations consist of a limited number of Christian denominational agencies that provide financial support for the administration of the Organization.

All overseas programming is the responsibility of the Organization's implementing members who propose, implement, monitor, complete, and report on the programs. The programs are implemented in-country directly by the member or a proven indigenous partner.

The financial statements were available to be issued on June 7, 2017, with subsequent events being evaluated through this date.

The following is a summary of the significant accounting policies applied by management in the preparation of the accompanying financial statements.

Basis of Accounting -

The Organization records its financial transactions and maintains its books and records on the accrual basis of accounting which recognizes revenue as it is earned and expenses as they are incurred.

Basis of Presentation -

The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

*Unrestricted net assets* - Net assets that are not subject to donor-imposed stipulations. The Board has designated a portion of its unrestricted net assets as an operating reserve.

*Temporarily restricted net assets* - Net assets subject to donor-imposed stipulations that will be met, either by actions of the Organization and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

*Permanently restricted net assets* - Net assets subject to donor-imposed stipulations that they be maintained permanently by the Organization. Generally, the donors of these assets permit the Organization to use all or part of the income earned on any related investments for general or specific purposes. There are no permanently restricted net assets as of March 31, 2017 and 2016.

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND PRACTICES: (Continued)

Cash and Cash Equivalents -

For purposes of the statement of cash flows, the Organization considers all highly liquid instruments with an original maturity of three months or less to be cash equivalents.

Concentrations of Credit Risk -

Financial instruments which potentially subject the Organization to concentrations of credit risk consist principally of cash. The Organization places its cash and deposits with high credit quality financial institutions; however, deposits may exceed the federally insured limits in various banks from time to time.

Accounts Receivable -

Under the Organization's accounting policies, accounts are charged to bad debt expense when deemed uncollectible based upon a periodic review of the accounts by management. The review includes an evaluation of the financial condition and credit worthiness of entities from which it has recorded receivables. After all reasonable attempts to collect a receivable have failed, the amount is written off. Concentrations of credit risk with respect to contributions receivable exist because of the limited diversity of entities from which the Organization has recorded receivables. Member contributions receivable consist primarily of amounts receivable from members due in less than one year, and are recognized at fair value in the year the promise is made.

Property and Equipment -

Property and equipment are carried at original cost or fair market value at date of receipt for donated assets less accumulated depreciation. The Organization follows the practice of capitalizing all expenditures for property and equipment in excess of \$1,000. Depreciation is computed using the straight-line method over the estimated useful lives of the assets.

Deferred Revenue -

Deferred revenue consists of annual member contributions billed for management and general expenses as well as expenses associated with its programming. These member contributions are recognized over a calendar year.

Restricted and Unrestricted Revenue and Support -

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND PRACTICES: (Continued)

Restricted and Unrestricted Revenue and Support - (Continued)

The Organization periodically receives contributions in a form other than cash. If the Organization receives a contribution of land, buildings, or equipment, the contributed asset is recognized as an asset at its estimated fair value at the date of the gift, provided that the value of the asset and its estimated useful life meets the capitalization policy. Other assets received as contributions are recorded and reflected in the financial statements at their estimated fair values at the date received.

Donated Services -

A number of volunteers have donated their services to the programs of the Organization. No amounts have been recognized for these donated services because the criteria for recognition under accounting principles generally accepted in the United States of America have not been satisfied.

Use of Estimates -

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts and disclosures. Actual results could differ from those estimates.

Income Taxes -

The Organization has been determined by the Internal Revenue Service to be exempt from income tax under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income tax has been established.

The Organization files informational tax returns in the U.S. federal jurisdiction and several states. With few exceptions, the Organization is no longer subject to U.S. federal, state and local, or non-U.S. income tax examinations by tax authorities for years before 2014. The Organization does not expect a material net change in unrecognized tax benefits in the next twelve months.

Advertising Expenses -

All advertising costs are expensed in the period in which they occur.

Functional Allocation of Expenses -

The costs of providing various program and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated between the program and supporting services.

(2) NOTES RECEIVABLE:

Notes receivable consist of the following at March 31, 2017 and 2016:

	<u>2017</u>	<u>2016</u>
Unsecured promissory note receivable, bearing simple interest at 2%. All principal and interest was due December 1, 2016.	\$ -	\$ 200,000
Total notes receivable	<u>\$ -</u>	<u>\$ 200,000</u>

(3) TEMPORARILY RESTRICTED NET ASSETS:

Temporarily restricted net assets at March 31, 2017 and 2016 available for future periods consist of the following:

	<u>2017</u>	<u>2016</u>
Membership organization accounts:		
United Methodist Committee of Relief	\$ 96,462	\$ 133,834

Specific program accounts	<u>2,026,429</u>	<u>1,889,057</u>
Total temporarily restricted net assets	<u>\$ 2,636,792</u>	<u>\$ 2,678,334</u>

(4) LEASE COMMITMENTS:

The Organization leases its facilities in Western Springs, IL. The lease expires in March 2018.

Minimum lease payments due for the years ending March 31 are as follows:

2018	\$ 22,500
------	-----------

Rent expense for the years ended March 31, 2017 and 2016, was \$21,575 and \$21,600, respectively.

(5) EMPLOYEE BENEFIT PLANS:

The Organization sponsors a Simplified Employee Pension Plan (SEP) retirement plan (the Plan) that covers all eligible employees. Employees are eligible to participate in the Plan immediately upon hire. Contributions are made monthly in accordance with the Plan. The Organization's contributions totaled approximately \$57,352 and \$49,800 during the years ended March 31, 2017 and 2016, respectively.
